

ACCESSIBILITY STATEMENT

Last Updated: 29/01/2026

Applies to all Quantisca websites, platforms, and digital products

1. Introduction

Quantisca is committed to providing a digital experience that is accessible and usable for as many people as possible, regardless of ability, device, or technology.

This Accessibility Statement (“Statement”) outlines our approach to accessibility and our ongoing efforts to improve the user experience.

2. Commitment to Accessibility

Quantisca strives to:

- design and develop digital products with accessibility in mind
- follow recognized accessibility standards where feasible
- ensure that core functionality is available to all users
- continuously improve accessibility over time

While we aim for broad accessibility, we do not guarantee full compliance with any specific accessibility standard.

3. Accessibility Measures

Quantisca implements a variety of measures to enhance accessibility, including:

- responsive design for different screen sizes
- clear and consistent navigation
- readable typography and contrast
- keyboard friendly interface elements
- descriptive labels for interactive components
- compatibility with modern browsers and devices

Where possible, we follow principles inspired by WCAG (Web Content Accessibility Guidelines).

4. Supported Technologies

Quantisca Products are designed to work with:

- modern web browsers
- desktop and mobile devices
- standard operating systems
- commonly used assistive technologies (where feasible)

We do not guarantee compatibility with outdated or unsupported systems.

5. Limitations & Known Issues

Despite our efforts, some content may not be fully accessible due to:

- technical constraints
- third party integrations
- platform limitations
- rapidly evolving product features
- user generated content (if applicable)

Quantisca does not guarantee full accessibility of all features at all times.

6. Continuous Improvement

Accessibility is an ongoing process. Quantisca regularly reviews:

- user feedback

- platform updates
- new accessibility techniques
- evolving industry standards

Improvements may be implemented over time without prior notice.

7. Third Party Content

Quantisca may include or integrate:

- third party widgets
- external tools
- embedded content
- partner services

We do not control the accessibility of third party components.

8. Feedback & Contact

If you experience accessibility issues or have suggestions for improvement, contact:

contact@quantisca.com

Please include:

- a description of the issue
- the page or feature affected
- your device and browser
- any assistive technology used

We will review your message and respond where feasible.

9. No Legal Guarantee

This Statement does not constitute a legally binding warranty of accessibility. Quantisca provides no guarantee of full compliance with any specific accessibility regulation.

10. Changes to This Statement

Quantisca may update this Statement at any time. Continued use of Quantisca Products constitutes acceptance of the updated version.
