

ACCEPTABLE USE POLICY (AUP)

Last Updated: 29/01/2026

Applies to all Quantisca platforms, software, tools, and services

1. Introduction

This Acceptable Use Policy (“Policy”) sets the rules and restrictions for using Quantisca websites, platforms, software, Expert Advisors (EAs), tools, educational materials, and any related services (“Quantisca Products”).

By accessing or using Quantisca Products, you agree to comply with this Policy.

2. General Principles

Users must use Quantisca Products:

- lawfully
- responsibly
- ethically
- without causing harm to Quantisca or other users
- in accordance with all applicable agreements (ToS, EULA, Privacy Policy, etc.)

Any misuse may result in immediate suspension or termination of access.

3. Prohibited Activities

Users are strictly prohibited from engaging in any of the following activities.

3.1. Illegal or Unlawful Use

You may not use Quantisca Products to:

- violate any laws or regulations
- engage in fraud or financial crime
- manipulate markets
- conduct unauthorized trading activities
- engage in money laundering or terrorism financing

3.2. Unauthorized Access & Security Violations

You may not:

- attempt to gain unauthorized access to Quantisca systems
- bypass or disable security mechanisms
- interfere with licensing systems
- probe, scan, or test system vulnerabilities
- disrupt or overload servers
- use bots, scrapers, or automated tools without permission

3.3. Misuse of Software

You may not:

- reverse engineer, decompile, or disassemble software
- modify or alter Quantisca Products
- use the software to create competing tools
- share, distribute, or resell software
- provide access to third parties
- upload or publish Quantisca Products online

These actions violate the EULA and may result in legal action.

3.4. Harmful or Abusive Behavior

You may not:

- engage in harassment or abusive conduct
- impersonate Quantisca or its representatives

- spread false information about Quantisca
- attempt to damage Quantisca's reputation

3.5. Interference with Platform Functionality

You may not:

- disrupt website or platform operations
- introduce malware, viruses, or harmful code
- attempt to overload servers or infrastructure
- interfere with other users' access

3.6. Unauthorized Commercial Use

You may not:

- use Quantisca Products for commercial purposes without permission
- use Quantisca branding or trademarks without authorization
- create derivative works based on Quantisca Assets
- use Quantisca Products to promote competing services

4. User Responsibilities

Users must:

- maintain accurate account information
- secure login credentials
- ensure proper configuration of software
- comply with all licensing requirements
- use stable internet/VPS for automated systems
- follow all applicable laws in their jurisdiction

Users are fully responsible for their actions and trading decisions.

5. Monitoring and Enforcement

Quantisca reserves the right to:

- monitor usage for compliance

- investigate suspected violations
- suspend or terminate access
- revoke licenses
- block IP addresses or accounts
- take legal action when necessary

Enforcement may occur without prior notice.

6. Reporting Violations

If you suspect a violation of this Policy, contact:

[Your Contact Email]

Provide:

- description of the issue
- evidence or links
- your contact information

Quantisca will review and take appropriate action.

7. No Obligation to Monitor

Quantisca is not obligated to:

- monitor user activity
- review user content
- enforce this Policy in every instance

However, Quantisca reserves the right to do so at its discretion.

8. Consequences of Violations

Violations of this Policy may result in:

- immediate suspension of access
- permanent termination of accounts
- revocation of software licenses
- loss of access to updates

- legal action
- claims for damages

No refunds will be issued in case of violations.

9. Changes to This Policy

Quantisca may update this Policy at any time. Continued use of Quantisca Products constitutes acceptance of the updated version.
